HAERO, ovvero la personificazione della comodità. La seduta è spaziosa, per un comfort ottimale, mentre schienale e bracciolo leggermente inclinati favoriscono la posizione corretta. La trapuntatura della seduta del divano HAERO è realizzata con dedizione sartoriale, come testimoniano le cuciture a vista, che parlano di una cura senza eguali nella lavorazione\_

HAERO combines comfort with personality. The seat is spacious, for optimal comfort while the back and armrest are slightly inclined to allow an ergonomic seating. The HAERO sofa seat is embroidered and manufactured with a tailoring genius, as can be seen by simply looking at them. They are made with care in every detail\_
