## coordinati

by Bolzan Letti handmade in Italy

Nata dalla creatività di Bolzan letti Dual collection è ideata per arredare zone che spaziano dal living alla notte. Letti da una duplice funzione per una duplice comodità pensati per costruire un ambiente altamente personalizzabile. Modelli componibili e articolati dal carattere personale impreziositi da coordinati in nuances e cromie di tendenza. / Dual collection was born by the creativity of Bolzan Letti company to furnish rooms that are not only living areas but that can also be converted into sleeping areas. These beds have a double function for a double comfort, thought to build an highly customized room. The models are modular and extremely tailor made can be complemented by bed sheets in trendy and colourful nuances.

Uno stile che emerge costruendo un ambiente di carattere, anche attraverso pochi elementi. Magis gioca sui contrasti cromatici puntando a valorizzare la linearità delle forme e l'originalità dei tessuti nei coordinati nelle nuances di tendenza.

A style that emerges building a peculiar environment, also through a few elements. Magis plays on color contrasts focusing on enhancing the linearity of forms and the originality of the bed sheets' fabrics in trendy shades.

# Dual collection *la forza del progetto su misura*

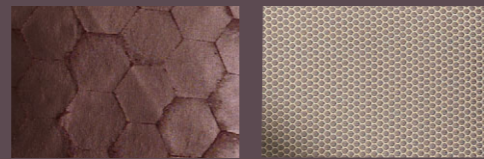

## The strength of a tailor-made project

I progetti Dual Collection rappresentano la versatilità e la personalizzazione per eccellenza grazie ai numerosi elementi che li caratterizzano. Il modello "line", attraverso la pannellatura soffice e modulare a parete, con illuminazione a led, suggerisce la possibilità di inserire diversi elementi d'arredo quali mensole, specchi, per rendere il vostro progetto unico e distintivo.

The projects Dual Collection are the concrete presentation of an extreme versatility and personalization, thanks to the numerous elements which characterizes them. The "line" model, thanks to the upholstered and modular wall panels, with LED lighting, suggests the possibility to include different furnishing elements such as shelves, mirrors, to make your project unique and distinctive.

Lido 19 17

Quilt  
Lido 19 17

Lo schienale sinuoso ed il bracciolo “bon ton” conferisce a questo modello uno stile d’altri tempi. Ciò che traccia un segno distintivo e di grande attualità sono le cromie accese e profonde del blu e la scelta dei tessuti dei cordinati che si fondono creando una combinazione perfetta anche per ambienti giovani e informali.

The sinuous backrest and the “bon ton” armrest give this model a style of times gone by. What marks a distinctive and highly topical sign, are the deep and vivid blue nuances and the choice of the bed linen fabrics that are blended together to create a perfect combination also for young and informal environments .

**Fly presenta una struttura unica nel suo genere per l'inclinazione dei braccioli laterali. Forma ed estetica si incontrano creando linee ergonomiche esclusive. I toni del verde della seduta in nuances con il rivestimento creano uno stile autentico e naturale nel quale si ritrova leggerezza e comfort della linea "double collection".**

Fly presents a unique structure for the inclination of the side arms. Shape and aesthetics come together to create exclusive ergonomic lines. The shades of green of the sitting part matched with the cover create an authentic and natural style in which you can find the lightness and the comfort of the "double collection".

**Punto di forza di Dual collection è la componibilità e versatilità degli elementi. Fly ne è un particolare esempio poichè grazie alle sue forme lineari ed eleganti consente di creare spazi composti. Due letti singoli si uniscono con la possibilità di attrezzare gli interni per arredare con straordinaria efficacia ogni ambiente secondo l'occorrenza.**

Strong point of the Dual collection is the modularity and versatility of the elements. Fly is one particular example of it because thanks to its linear and elegant shapes it allows to create compound spaces. Two single beds can be combined with the possibility of equipping the room to furnish any environment with extraordinary efficiency according to the exigencies.
