Jill

Jill, the maximum flexibility enclosed in simple and elegant shapes

Il divano letto Jill si rifà alle forme dell'omonimo letto. Il risultato è un sofà dalle proporzioni classiche, che ben si adatta alla zona living e all'occorrenza, grazie ad un pratico sistema a scomparsa, si trasforma in un comodo letto matrimoniale.

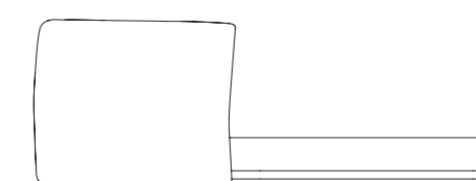

The Jill daybed refers to the shape of the bed with the same name. The result is a classically proportionate sofa that fits perfectly in the living area. And if necessary, its practical retractable mechanism turns it into a comfortable double bed.
